

Join us for the cost-free ADoT **eLevate Leadership** workshop to eLevate leadership skills to the next level for new and aspiring administrators in higher education. The workshop uses a mentoring approach that utilizes the experiences and insights of peers in higher education leadership to eLevate all involved.

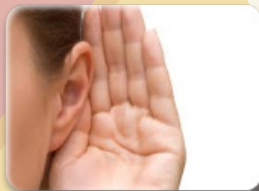

ADoT Membership:

ADoT was formed as a professional association vested in providing quality professional development and networking experiences for higher education faculty and administrators serving in colleges/schools of education in Texas.
